

It's Featured Artist Friday!

We're adding three new songs into our rotation, just for your listening pleasure! Enjoy these special treats.

We start up with a classic: George Strait. He brings with him a special treat, his song "Give it All We Got Tonight". George Strait is one of the best, earning the award of most top singles of any artist. That's what we love about Texas!

Second up, Brad Paisley comes up with "Southern Comfort Zone." His most recent achievement was being named CMA and ACM Male Vocalist of the Year winner in 2008.

Finally, Don Roberts dishes up his good tunes with " Only in Texas". He's received Grammy nominations on his third album and featured two charts singles on the Texas Music Chart.

To recap:

- Give it All We Got / George Strait
- Southern Comfort Zone / Brad Paisley
- Only in Texas / Dan Roberts
