Hello and welcome back everyone! This week we are taking a trip to the Beaches of the Gulf Coast! So grab a drink, grab a chair and follow us! This week we have a set of songs from the beach, written by the best Islanders around! Brent Burns is first up with "Livin the Life (Jimmy Buffett only wrote about)". In 2008, Burns won three awards in the first ever Trop Rock Music Awards. The Calypsonuts sing about "Sandy Beaches". Jambo Joe Bones takes us to a "Bar on a Beach". Captain Quint shows us how to rock with "Pineapple Jam".

Next, San Antonio Native George Strait serenades us with "Stars on the Water", and most accordingly "Dancing on the Water" with Gary James Moeller follows. Then we go "Coastin'" straight into Larry Joe Taylor.
