

## It's Featured Artist Friday!

It's Featured Artist Friday and as promised, here are three new songs that are up for rotation!

Our first song is "Wagon Wheel" by Darius Rucker. Recently, Rucker was nominated for the CMA's Musical Event of the Year award for his performance of "Stuck on You" with Lionel Richie, and in October, he achieved a childhood dream when he was inducted into the Grand Ole Opry.

Next on the circuit is "All Over the Road" by Easton Corbin. Easton Corbin released "Lovin' You Is Fun," which served as the lead-off single to his second studio album,

*All Over the Road*

, which was released on September 18, 2012. Last up music from

Sawyer Brown "

Ain't Goin' Out That Way".

To date, Sawyer Brown has released twenty studio albums, of which three have been certified gold in the United States for sales of 500,000 copies.
