

KBEC 1390 proudly presents *City Talk*. The show airs Fridays at 12:30PM.

Waxahachie city officials answer citizen questions about our fair city. They'll advise you on city maintenance, local taxes, city leaders' duties, zoning issues, [downtown development](#), emergency information, and much more.

City Talk,

a 15-minute-long program, airs weekly. It broadcasts live right after the Texas State News program.

City Talk gives you a chance to hear from your city leaders on local matters that mean the most to you. Make sure to tune in on Fridays from 12:30 to 12:45PM!
